The Reason Why

Ayer's Pills are so popular is, that while always reliable as a cathartic medicine, they never leave any til effects. This is because they are purely vegetable, and entirely free from calc mel or any other dangerous drug. In all cases, therefore, whether the patient be old or young, they may be confidently administered.

In the Southern and Western States, where derangements of the liver are so general, Ayer's Pills have proved an inestimable blessing. D. W. Baine, New Berne, N. C., writes:

"I suffered a long time with stomach and liver troubles. I tried various rem-edies, but received no benefit until I nenced taking Ayer's Pills. pills benefited me at once. I took them regularly for a few months, and my health was completely restored."

Throughout New England, next to lung diseases, Stomach and Bowel Complaints are the most prevalent.

Dyspepsia

and Constipation are almost universal. Mr. Gallacher, a practical chemist, of Roxbury, Mass., who was long troubled with Dyspepsia, writes:

"A friend induced me to try Ayer's Pills, and, after taking one box without much benefit, I was disposed to quit them; but he urged perseverance, and, before I had finished the second box, I before I had finished the second fox, I began to experience relief. I continued taking them, at intervals, until I had used eleven boxes. Suffice it to say, that I am now a well man, and grateful to your chemistry, which outstrips

Mrs. Harriet A. Marble, of Poughkeepsie, N. Y., writes that for years she was a gartyr to headache, and never found anything to give her more than temporary relief, until she began taking Ayer's Pills, since which she has been in the enjoyment of perfect health.
